

## **TEMPORARY GREEN YARDAGES**

Below are the yardages between the centre of the main greens and the temporary greens on each hole. The yardages are to assist players to calculate the distances for their approach shot to the temporary green. The yardages will be especially useful for players using a Sky Caddie device or the 150 yard markers.

<b>HOLE</b>	<b>Main Green To Temporary Green – Yards Difference</b>
1	120
2	51
3	27
4	42
5	33
6	52
7	30
8	66
9	25
10	34
11	41
12	16
13	43
14	31
15	57
16	65
17	36
18	32
